Q10 - Please choose the statement that best describes your family's experience with remote learning to date. Note: If you have more than one child, please provide an overall average for all of your children's experience.

Q11 - Which best matches your beliefs about your child's (or children's) readiness for

next year? Note: If you have more than one child, please provide an overall average for all

of your children's experience. I believe:

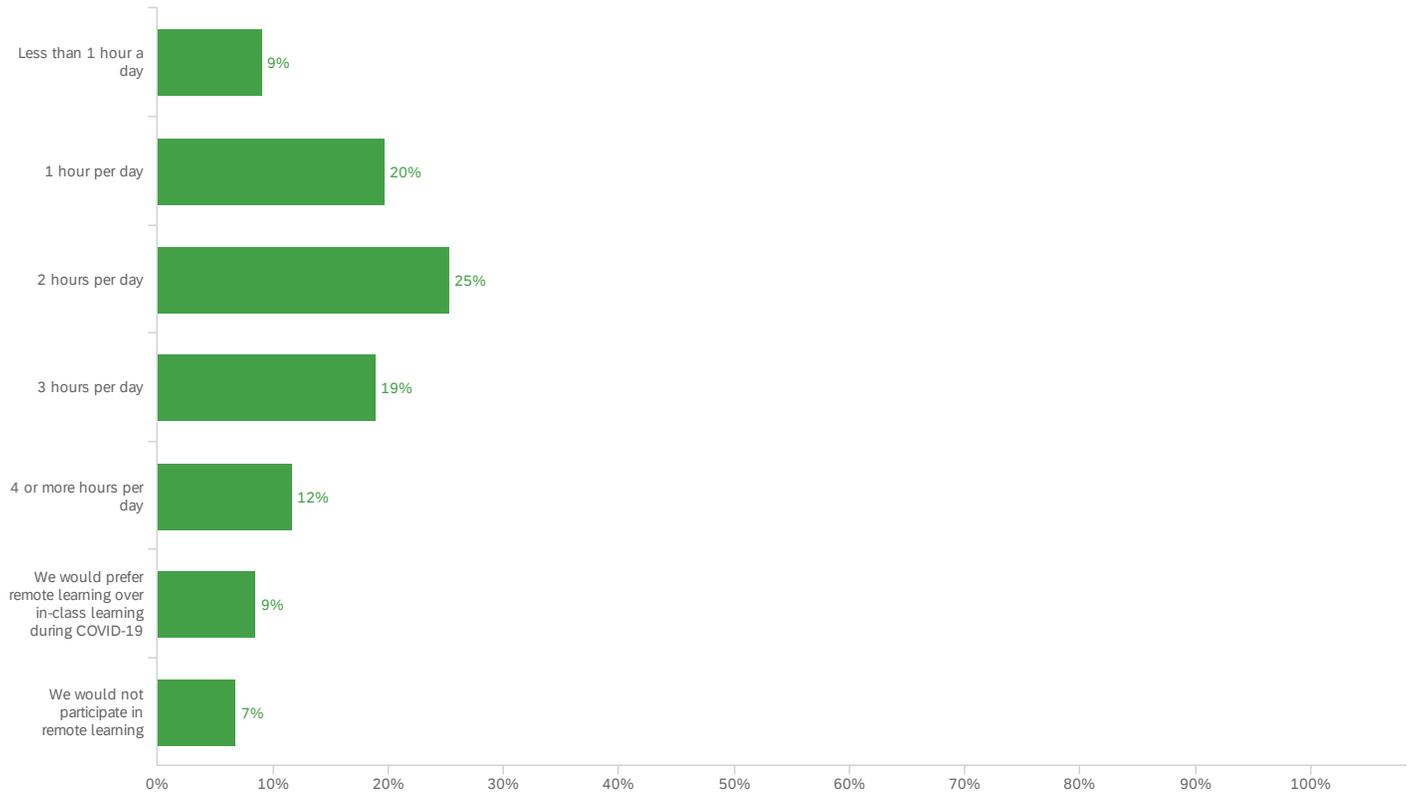

Q12 - Is your child (or children) intending to participate in the TDSB's Summer School

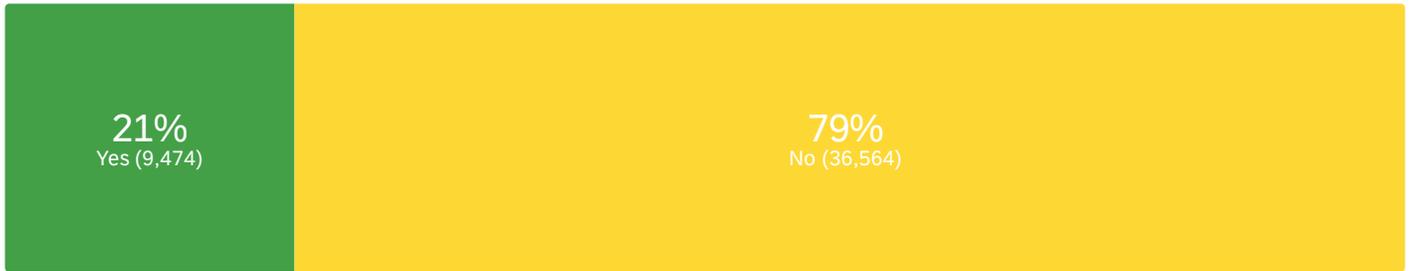

Program?

Q13 - If some form of remote learning continues in the fall, how much time would be ideal for your child (or children) to be online per day? Note: If you have more than one child, please provide an overall average for all of your children's experience.

Q14 - For your child's (or children's) schoolwork, are you using a computer, laptop or tablet provided by the TDSB?

Q15 - Is your child (or children) using assistive technology to support their schoolwork during remote learning? [note, no and 'not applicable was removed from chart]

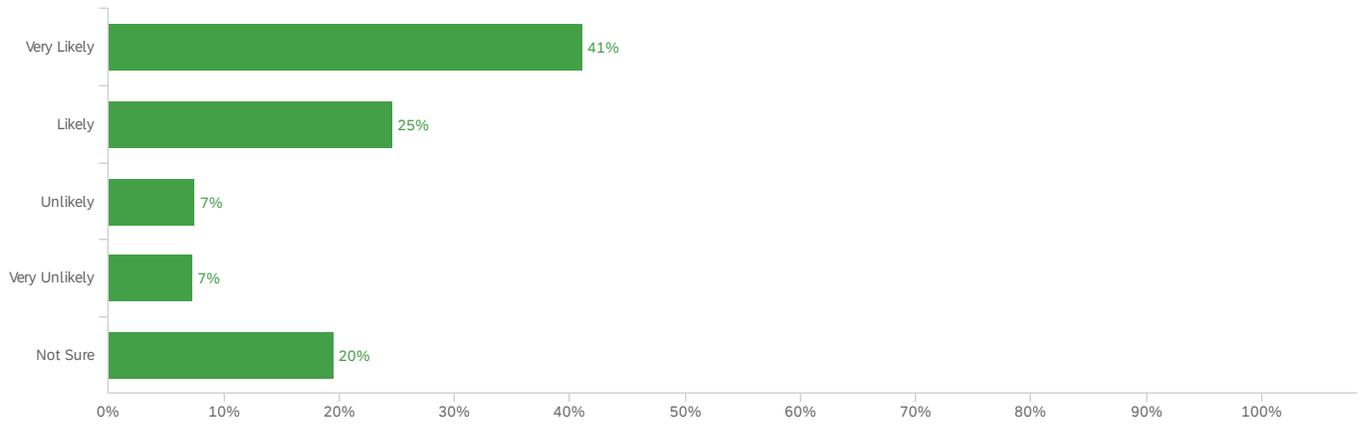

17%  
Yes (7,867)

Q16 - Is your child (or children) using OT/PT specialized equipment to support their schoolwork during remote learning? [note, 'no' and 'not applicable' was removed from chart]

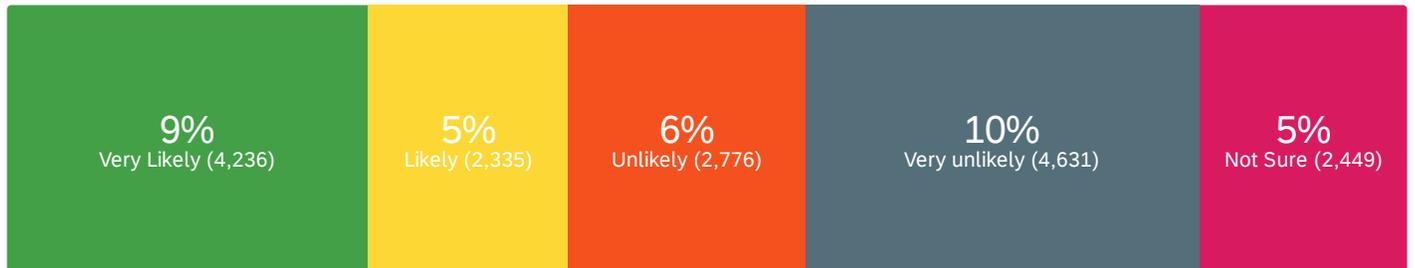

2%  
Yes (939)

Q17 - If schools are directed to re-open for in-class learning in September, how likely are you to send your child (or children)?

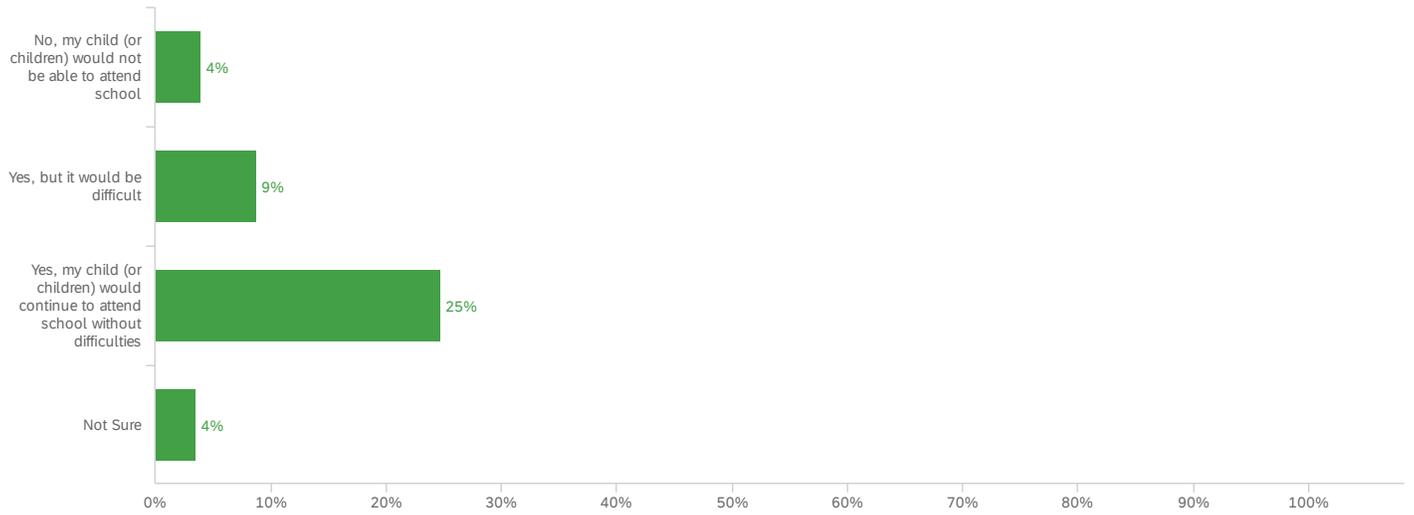

Q18 - If schools are directed to re-open in September and your child (or children) is eligible for transportation, how likely are you to use the school bus for the upcoming 2020-2021 school year? [note, 'not applicable' was removed from chart]

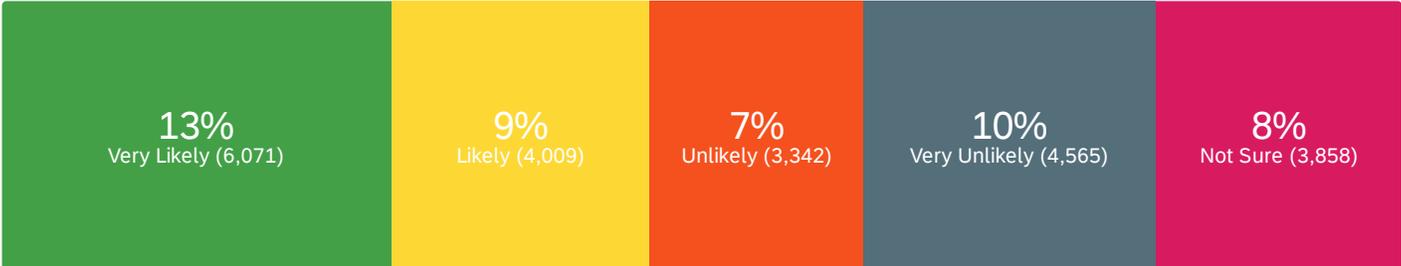

Q19 - If busing is reduced or not available for health and safety reasons in the fall, would you be able to get your child (or children) to school? [note, 'not applicable' was removed

from chart]

Q20 - If schools are directed to re-open for in-class learning in September, how likely are you to send your child (or children) to before and after-school care? [note, 'not applicable' was removed from the chart]

Q21 - Given your work and/or family situation, can you send your child (or children) to school for less than five full days a week?

Q22 - Elementary Students: In the event that modifications to the school week are required in the fall, which schooling option is best for your child (or children)? Please note, the Ministry of Education and Public Health will ultimately determine the return to school guidelines. [note, 'not applicable' was removed from the chart]

■ Every other day at school (i.e., half the school comes on Monday, Wednesday, Friday and half the school comes on Tuesday and Thursday; and then it rotates)

■ Every other week at school (i.e., half the school comes one week, and the other half comes the following week) ■ Not Sure

■ Mostly engaging in remote learning at home with a small number of in-person classes

Q23 - Secondary Students: In the event that modifications to the school week are required in the fall, which schooling option is best for your child (or children)? Please note, the Ministry of Education and Public Health will ultimately determine the return to school guidelines. [note, 'not applicable' was removed from the chart]

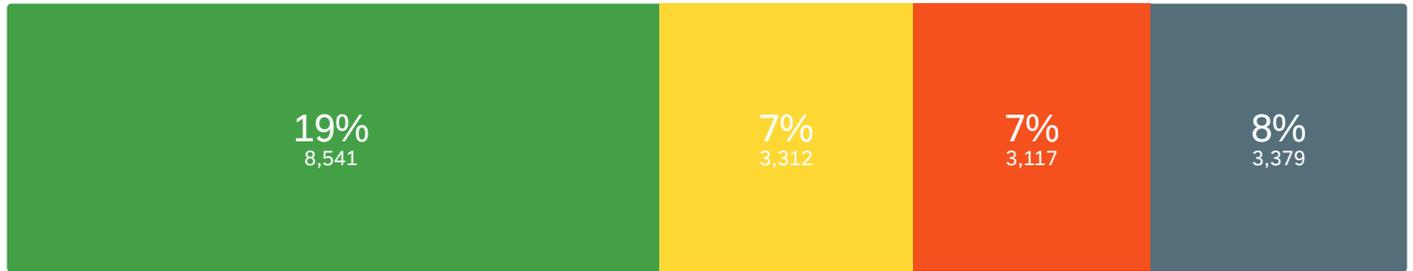

■ Every other day at school (i.e., half the school comes on Monday, Wednesday, Friday and half the school comes on Tuesday and Thursday; and then it rotates)

■ Every other week at school (i.e., half the school comes one week, and the other half comes the following week) ■ Not Sure

■ Mostly engaging in remote learning at home with a small number of in-person classes

Q24 - Secondary Students: In the event that modifications are required to re-open

schools in the fall, which scheduling option is best for your child (or children)?

■ Semestered (i.e., working on 3-4 courses for 5 months, then another 3-4 courses for the second 5 months of the school year)

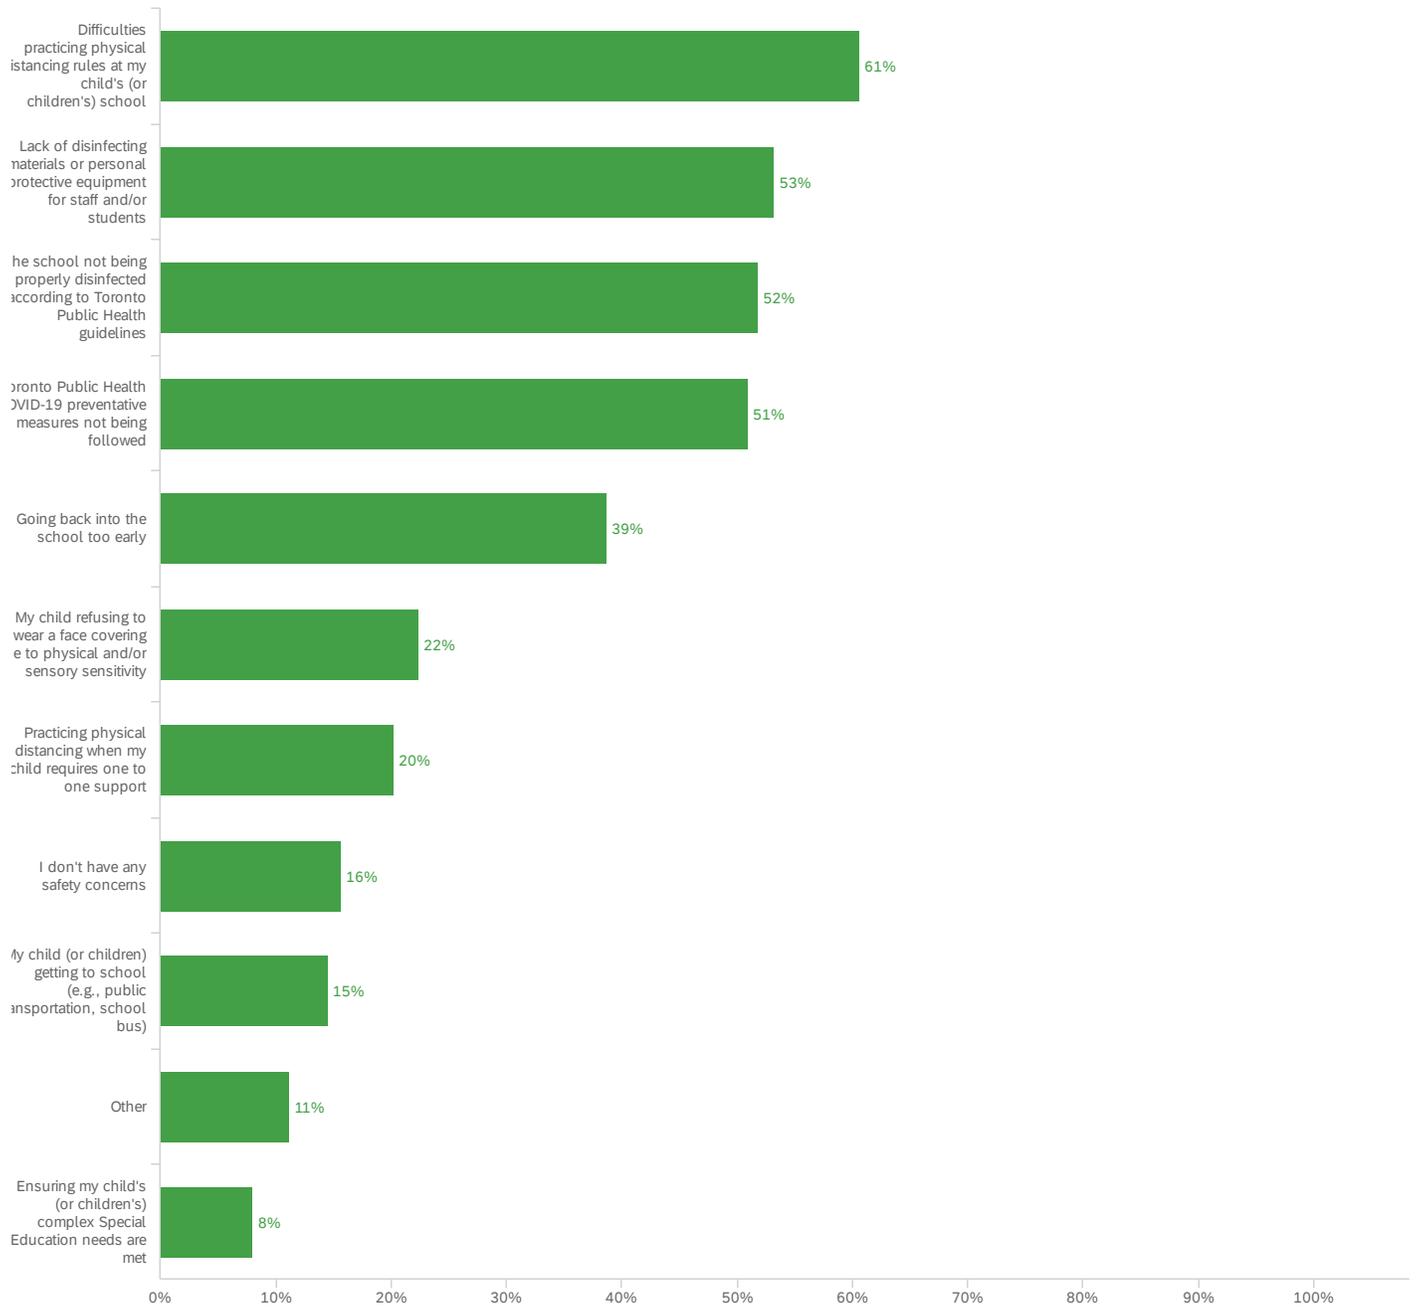

■ Non-semestered (i.e., working on 6-8 courses for the entire school year)

■ Quadmestered (i.e., working on 1-2 courses at a time for approximately 10 weeks at a time, then the next 2 courses, until all courses are completed)

■ Not Sure

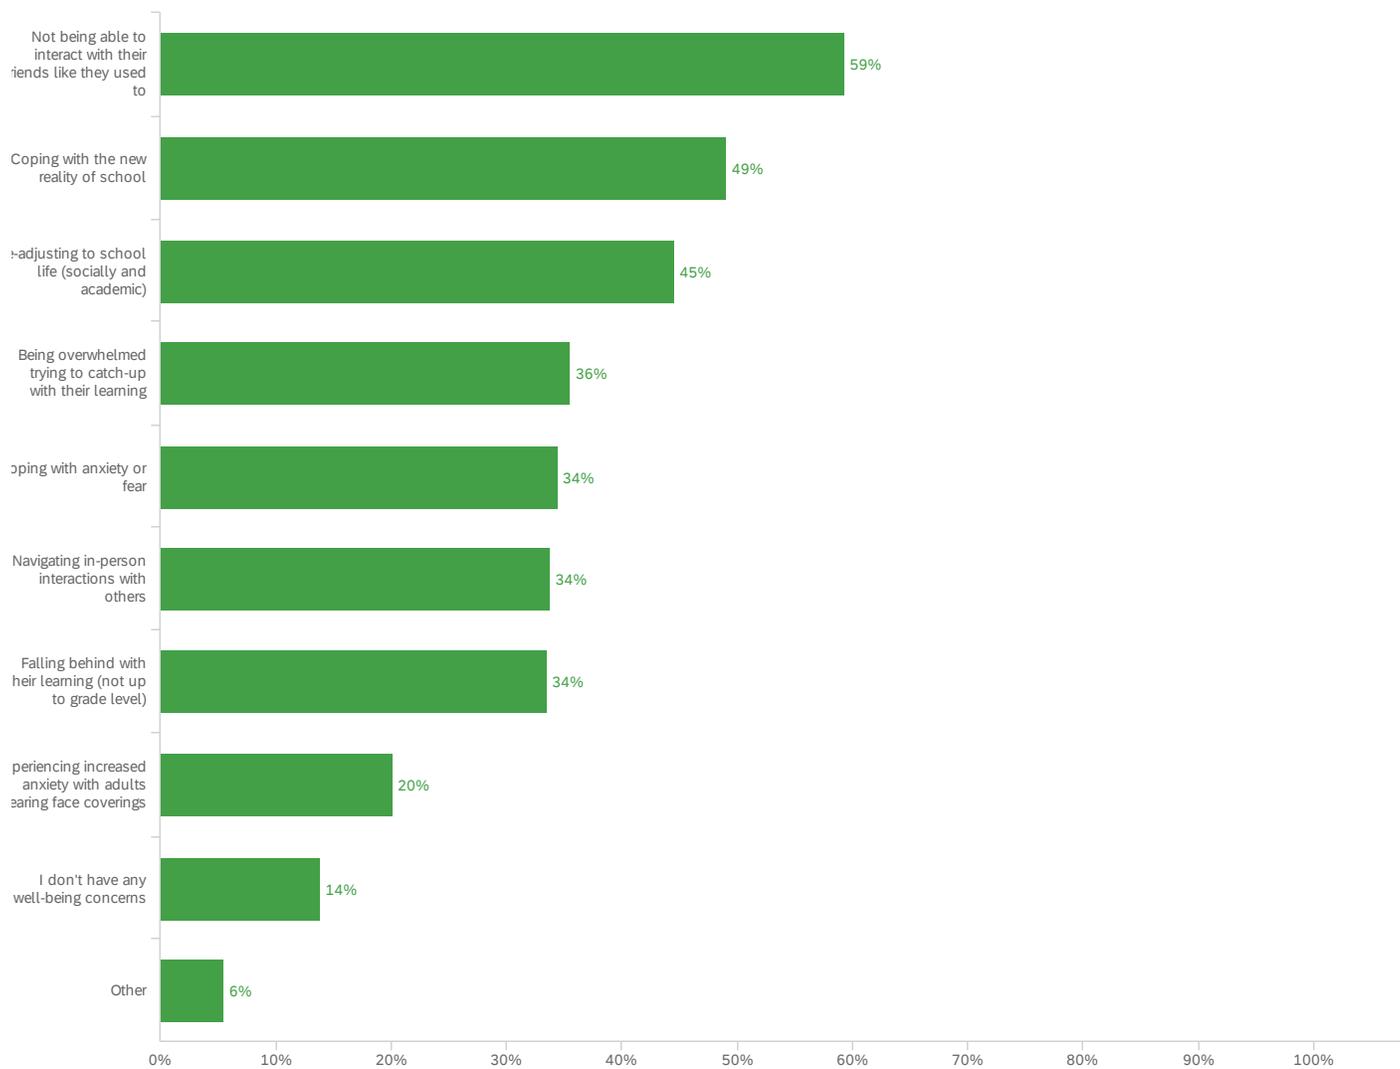

## Q25 - Do you have any of the following safety concerns about your child (or children)

returning to school? Please check all that apply.

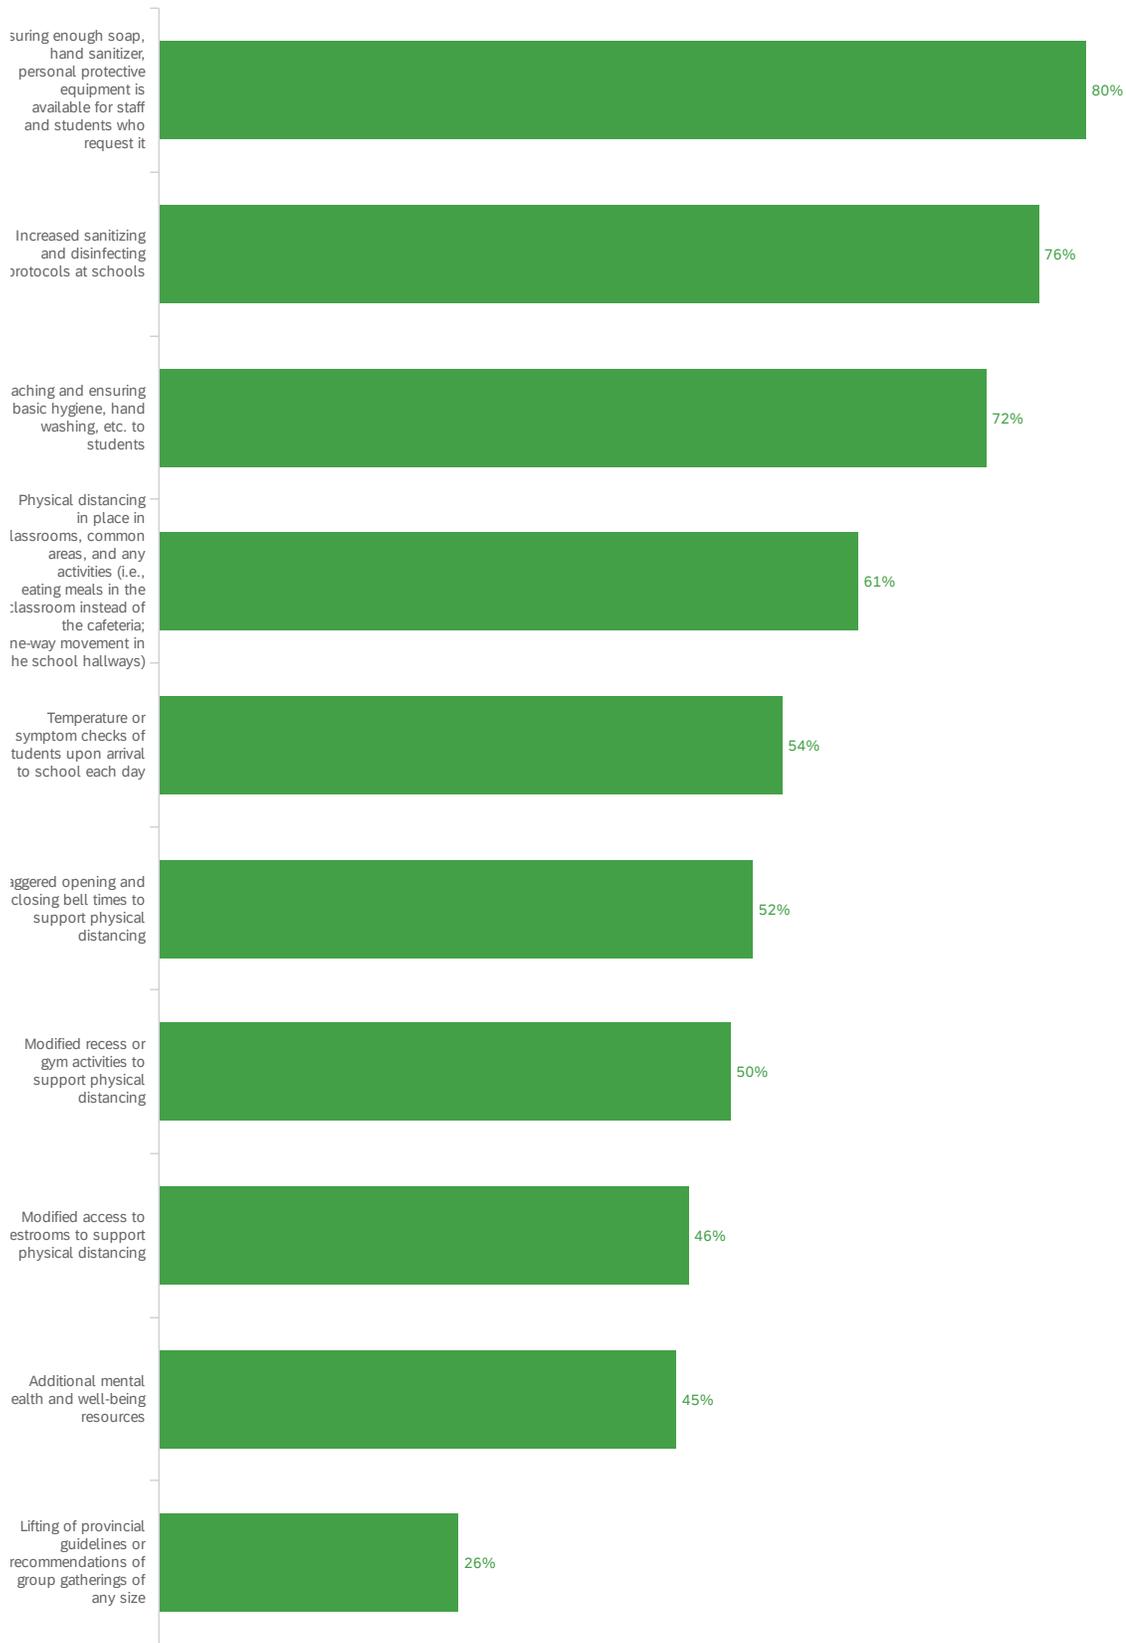

## Q26 - Do you have any of the following well-being concerns about your child (or children)

returning to school? Please check all that apply. My child or children:

## Q27 - What practices or supports related to COVID-19 would you like to see in place for

September? Please check all that apply.

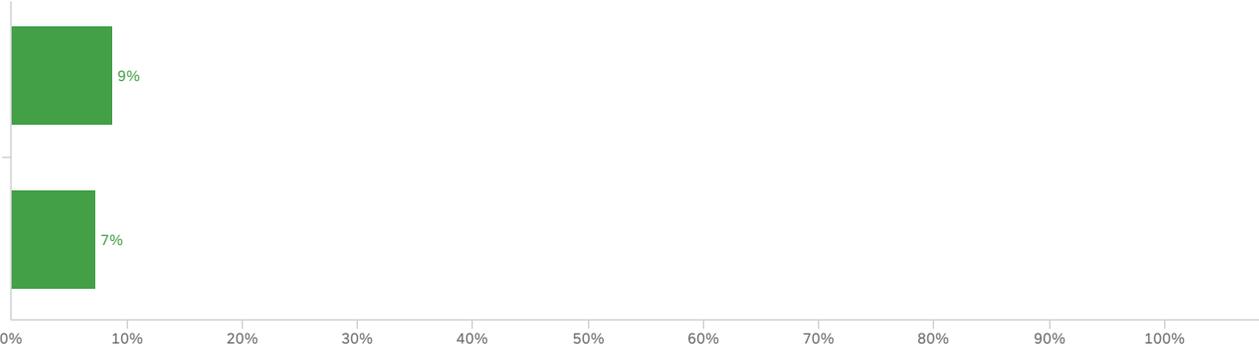

here's nothing TDSB  
could do that would  
make me feel safe to  
send my child (or  
children) back to  
school this fall
