Hello Friends,

I hope everyone has had a fantastic start of the 2022 school year. I'm very excited to see so many of our students returning to our physical classrooms and that things are resembling more to their pre-pandemic levels. This year, I am happy to say that over 95% of our students have voted with their actions to return to their physical classrooms. This is a drastic change from just two years ago when 1 in 4 students chose to learn virtually. I am also happy to say that the TDSB received more students in this school year than we had expected, and the board's total enrollment is around 5% higher than projections. This higher enrolment is great news for our system because it means the board will now receive more resources from the province to be directed towards helping our kids learn. That being said, many of our schools in the community recently went through reorganization, where some large classes were split up into smaller ones as additional staffing is brought in. I hope things settle down quickly so we can get to some high quality learning.

Parents and Caregivers as Partners Conference

Join us at our annual Parents and Caregivers as Partners Conference on October 22 and 23, 2022. Parents, guardians and caregivers are invited to participate in a weekend of learning, connection and engagement and learn strategies to support your child throughout the year.

New this year, we have partnered with the TDSB's Outdoor Education team as well as the City of Toronto to bring a unique, outdoor experience to the conference. All pre-conference sessions will run from 8:45 a.m. to 9:45 a.m. both Saturday and Sunday. Transportation from hub sites is available to all venues and leaves a designated departure location at 8 a.m. and returns at 10:30 a.m. More information will be provided in the registration.

The virtual conference includes a keynote address on Sunday, October 23 by Randell Adjei, Ontario's Poet Laureate, as well as a number of workshops in a range of areas including mental health and well-being, learning, special

Hallowe'en Safety Tips

Hallowe'en provides an opportunity for parents and children to spend time together creating costumes, carving pumpkins, planning trick or treat activities and participating in family parties. Hallowe'en is a big event at schools and provides opportunities for parties, creative activities, art programs and impromptu history lessons. Hallowe'en is also a time for students, parents, and schools to take extra care to ensure safety and security.

Trick or Treating Safety

- Children should NEVER eat any treats until parents have had a chance to go through them and inspect them. Parents should look for tampering of packages and discard any they believe to be unsafe or unknown.
- Have your child carry a flashlight. NEVER go into a stranger's house.
- NEVER trick or treat with people you do not know.
- Trick or treat only at homes you know.
- Children should always stay in groups if no parent is present.
- Younger children should ALWAYS be accompanied by an older person.
- If you can not accompany your child, then know the route they will take.
- Flame resistant (retardant) costumes are in order. Keep costumes short and remind children to stay away from pumpkins with candles in them.
- Remind children to stay away from pets they do not know.
- Remind children of road safety rules. Cross only at corners. Do not criss-cross the road. Go up one side of the road and down the other side. Never cross between parked cars. Walk facing on-coming traffic if there is no sidewalk.
- If adults are driving their children, drive slowly, with lights on and be cautious when pulling to the side of the road.
- Children should wear their own shoes when trick or treating. Wearing costume shoes/boots can be dangerous and uncomfortable.
- Remind children that not everyone celebrates Hallowe'en, and to avoid any homes that have no lights on.
- With older children, be sure to know what other events (such as parties) they plan on attending.
- Set time limits when children should return home
